68 for each additional class

*where the mark is a collective mark:*

292 for three classes  
68 for each additional class

European Community 2229 for three classes  
461 for each additional class

*where the mark is a collective mark:*

4151 for three classes  
923 for each additional class

Finland

*as from April 14, 2009*

314 for three classes  
112 for each additional class

*where the mark is a collective mark:*

426 for three classes  
112 for each additional class

Georgia 314 for one class  
115 for each additional class

Ghana *First Part:*

157 independent of the number of classes

*Second Part:*

105 independent of the number of classes

Greece 185 for one class  
46 for each additional class

*where the mark is a collective mark:*

924 for one class  
231 for each additional class

Iceland *as from April 1, 2009:*

133 for one class  
26 for each additional class

Ireland 372 for one class  
106 for each additional class

Italy 141 for one class  
48 for each additional class

*where the mark is a collective mark:*

472 independent of the number of classes

Japan *as from April 1, 2009:*

*First Part:*

140 for one class  
107 for each additional class

*Second Part:*

|                      |     |                                     |
|----------------------|-----|-------------------------------------|
|                      | 467 | for each class of goods or services |
| Kyrgyzstan           | 340 | for one class                       |

| Netherlands Antilles | 248 | for three classes                   |
|                      | 25  | for each additional class           |

*where the mark is a collective mark:*

|        |     |                           |
|--------|-----|---------------------------|
|        | 492 | for three classes         |
|        | 50  | for each additional class |
| Norway | 430 | for three classes         |
|        | 121 | for each additional class |

Republic of Korea *as from April 1, 2009:*

|                     |     |                                     |
|---------------------|-----|-------------------------------------|
|                     | 233 | for each class of goods or services |
| Republic of Moldova | 339 | for one class                       |
|                     | 28  | for each additional class           |

*where the mark is a collective mark:*

|            |     |                           |
|------------|-----|---------------------------|
|            | 452 | for one class             |
|            | 57  | for each additional class |
| San Marino | 197 | for three classes         |
|            | 57  | for each additional class |

*where the mark is a collective mark:*

|           |     |                           |
|-----------|-----|---------------------------|
|           | 394 | for three classes         |
|           | 98  | for each additional class |
| Singapore | 278 | for each class            |

Sweden *as from April 1, 2009:*

|             |     |                           |
|-------------|-----|---------------------------|
|             | 199 | for one class             |
|             | 99  | for each additional class |
| Switzerland | 350 | for three classes         |

|                          |                               |                           |
|--------------------------|-------------------------------|---------------------------|
|                          | 50                            | for each additional class |
| Turkey                   | 424                           | for one class             |
|                          | 83                            | for each additional class |
| Turkmenistan             | 209                           | for one class             |
|                          | 105                           | for each additional class |
| Ukraine                  | 523                           | for three classes         |
|                          | 105                           | for each additional class |
| United Kingdom           | <i>as from April 1, 2009:</i> |                           |
|                          | 295                           | for one class             |
|                          | 82                            | for each additional class |
| United States of America | 337                           | for one class             |
|                          | 337                           | for each additional class |
| Uzbekistan               | 1254                          | for one class             |
|                          | 125                           | for each additional class |

*where the mark is a collective mark:*

|          |      |                           |
|----------|------|---------------------------|
|          | 1881 | for one class             |
|          | 188  | for each additional class |
| Viet Nam | 135  | for one class             |
|          | 106  | for each additional class |

## **2. Renewal**

|         |     |                           |
|---------|-----|---------------------------|
| Armenia | 221 | for one class             |
|         | 22  | for each additional class |
